ACCURACY BUSINESS CUP

The first international edition of the Accuracy Business Cup allows students to compete in a real life case against other international university students.

The best teams will be selected to present their results to Accuracy consultants in Madrid and the winning team will face other countries' winners for the final case in Paris.

ABC COMPETITION

- 📍 Form a team of 3 students
- 📍 Work on a financial and strategic challenge
- 📍 Develop your analytical and communication skills
- 📍 Benefit from the mentorship of Accuracy's consultants
- 📍 Compete against leading universities worldwide

To participate send your team CV to abc.spain@accuracy.com
